

ROADMAP TO SPARCS SUCCESS

1

UNDERSTAND IMPORTANCE

1. Required by New York Public Health Law Section 28.16
2. Rate setting implications
3. Market data analysis
4. Certificate of Need determining factor

3

WORK THE DATA ISSUES

1. State data requirements differ from payer requirements
2. Start working through state rejections 45 days post patient discharge or visit

4

SUBMIT CLEAN DATA MONTHLY

1. Achieve at least 95% of your total data submitted within 60 days from the end of the month of a patient's discharge or visit
2. Have 100% of your total data submitted within 180 days from the end of the month of the patient's discharge or visit

5

AVOID STATEMENT OF DEFICIENCIES

**SPARCS
100%
DONE**

2

KNOW THE REQUIREMENTS

ARTICLE 28 FACILITIES

Inpatient discharges with type of bill codes:
